Title:

Comments: attached is most of my comment submission that should pass through your file size filter - however, I have a zip file that is over 70 megs with all the figures for DellaSala et al. Frontiers paper in review. I will need another transfer method to send that to you since you can't open large google docs on your end - will you accept Wettransfer? Can you open the archive zip files?FRImatureoldgrowth - those are my commentsDellaSalaTongass - already published OG Tongass inventoryDellaSalaFrontiers - in review and has most of our files except for the 70 meg zip with the figuresArchivezip goes with Frontiers paperForestUSA - methods paper in review - Mackey et alSupplemental - goes with Mackey paperarchivezip - goes with Mackey paperATTACHMENT: Zip file stored in Box containing 19 filesHopefully you can make sense of all this - please let me know as I'm not sure how else to send all this so it does make sense - cheers
