Comments: I cannot say enough wonderful things about Holland Lake Lodge, its grounds and the incredible staff who worked constantly and tirelessly to provide a clean, safe and enjoyable experience while my husband and I stayed there. The grounds were perfectly maintained and extremely attractive. The landscaping was exceptional and well manicured. Even though the lodge and cabins might be considered "rustic", we felt very secure during our stay - especially with all of the safety precautions that were in place and strictly enforced. I feel strongly that an expansion, especially one that is directed by the current owner, would be beneficial to both the property and the community at large. It is my understanding that there is plenty of room for expansion without compromising the integrity of the property. The expansion and improvements that would be made would be beneficial to one of the last lodges of its kind on the lake. I believe very strongly in the preservation of such properties, so that future generations can enjoy them as so many others have throughout the years. Places like Holland Lake Lodge help to create precious memories that last a lifetime, and they are an integral part of our nation as a whole. I strongly support the improvement and expansion of Holland Lake Lodge.
