Comments: This Holland Lake Lodge proposal for horrific expansion resort destination is NOT WHAT THIS VALLEY NEEDS OR WANTS!! They blatant disregard for the environment, people that LIVE here, and future of our beautiful PRESTINE valley is STUNNING. NO ONE HERE WANTS THIS!! This area cannot sustain the traffic we will have on the highway, upwards of 200 people PER DAY in and out, and everything that goes with this disgusting monstrosity in our little valley. It's ALL ABOUT MONEY and no one is listening to OUR VOICES! We LIVE HERE!!

The forest service has had rules and regulations for local residents and their property bordering the forest, per this proposal MANY OF THESE RULES ARE OUT THE WINDOW. WE DONT WANT THIS RESORT!! WE WERE NOT NOTIFIED IN A TIMELY MANNER AND there needs to be greater analysis on everything. WE THE PEOPLE OWN THIS LAND!!!!!!!!!! NOT BIG MONEY POWDR OR YOU!!! WE ARE THE STEWARDS!! I was present at the meeting yesterday at Holland Lake and it was as a horrible display at total and complete appeasement. Shame on you. Shame on you all for even considering this conglomeration that does not belong in this HISTORIC VALLEY... I have no optimism these heartfelt comments will be even considered. It's all about the MONEY.

We retired here last November BECAUSE OF THE BEAUTY and PRESTINE Valley. EVERYONE lives here for this reason. NO ONE WANTS A RESORT, and all that comes with it IN OUR BACKYARD.. The PUBLIC.. and whosits that want a VACATION.. should NOT BE MORE IMPORTANT THAN THOSE OF US THAT LIVE HERE!!!!!! NO!!!!!! RESORT!!!!!!
