Comments: Please. Hands off Holland Lake. We (Montana) do not need another Whitefish, MT. We need to preserve Holland Lake as we have for generations to come. I have come to Holland Lake for re recreation; camping, swimming, hiking for over 50 years. This is one of Montana's gems which need not become a recreation hot spot for the rich and famous.

So many other areas exist which could be selected.

When a company tries to squeeze its way in without public comment seems pretty sleezy to me.
