

Data Submitted (UTC 11): 10/17/2022 7:55:26 PM

First name: Doug

Last name: Heiken

Organization: Oregon Wild (+Bark)

Title: Conservation and Restoration Coordinator

Comments: See attached:

- Oregon Wild + Bark Objection to the Grasshopper Project draft DN
- Why logging to control fire harms spotted owls
- Why riparian reserves need to be protected for both aquatic and terrestrial wildlife
- Why USFS logging causes significant carbon emissions
