Comments: Continued Frye Issue 11--No Tribe ownership of NF 4a, 4b, NF 5

San Bernardino County Assessor Property Records indicate that the Boy Scouts of America are the owners of 5 parcels in the proposed land exchange not the Tribe. Is this why the Boy Scouts of America are supporting the project so they can gain financially on the sale of the property to the Tribe? Is this ethical? How can the USFS accept a proposal for a land exchange if the land is not owned by the Tribe?
