Dear District Rangers Edwards and Mercer, March 17, 2023

This evening I electronically submitted the GARNA Friends of Fourmile chapter's comment of the Forest Service
Dispersed Camping Management Project.

Although I am sure you will eventually receive all comments for review, I am attaching a copy as a double-check
that they have been submitted before the deadline.

Thank you for your attention, and we look forward to receiving news of publication of the Environmental
Assessment and a near-final proposal.

Alan
