Comments: On behalf of the Sisters of the Presentation of the Blessed Virgin Mary of Aberdeen, South Dakota, I, Sister Pegge Boehm, SRI Coordinator for our religious community, ask you to reflect on the abundant resources we have been entrusted with, and charged with caring for. Our Native American brothers and sisters consider all creation as brother and sister. St. Francis of Assisi reminds us that water is Sister Water. When decisions are made about my family members, such as my sister, I no more would sell them or cause harm to them. I ask you to reflect on the relationship, not the "use" we can get out of the land and the harm that may come to our ground water. I am not making a business case here. I am appealing to your heart and conscience. May choices made from your heart make a business choice that chooses life for people and planet.

Respectfully,

Sister Pegge Boehm, PBVM

SRI Coordinator
