

Data Submitted (UTC 11): 4/11/2023 5:51:01 AM

First name: Mark

Last name: Tilsen

Organization: NDN Collective

Title: Organizer

Comments: I was told by Ranger Rob that the entire Custer meeting could be submitted as public comment. Some of the transcription is rough but we still have the audio and the video files if you are confused by anything. The meeting was often chaotic and many people shouted from the audience or otherwise didn't introduce themselves.
