Comments: Email #3 of 3

Email #2 was rejected several times. I jettisoned Attached files, thinking I had exceeded the MBs limit. I will refile the following attachments, hoping to enter them into the record.

Please note, Attached File #1 is our Amended (complete) Objection, Expanded with added argumants supplementing our earlier (Email #1) submission. - steve kelly

Attachment #2 and #3 support our challenge to the presumption of "absolute title" to the lands ("U.S. government property") being managed for "vegetative manipulation."

Thank you for your effort, time and consideration of our objection.

Sincerely yours,

/s/ Steve Kelly, Council on Wildlife and Fish, PO Box 4641, Bozeman, MT 59772; Phone 406-920-1381;
