First name: Carol Last name: Larsen Organization:

Title:

Comments: I support modifying the proposed action by changing the status of the Rendezvous trails and the newYellowstone Short Line trail to: open to class one e-bikes only. This will result in providing significantnew recreational opportunities at little to no financial cost or negative environmental impacts. Since I am over 70, It will increase safe and enjoyable National Forest recreational opportunities tocurrently underserved physically challenged and/or elderly Americans.
