First name: JASMINE

Last name: MINBASHIAN

Organization: Methow Valley Citizens Council

Title: Executive Director

Comments: Please accept this addendum to our previously submitted letter:

"We also would be interested in working with the agency to help develop a public communication strategy around burning to help smoke sensitive individuals prepare and adapt as needed. To reduce smoke impacts, we also suggest exploring options for chipping and selling byproduct to biochar facilities in the region as an alternative to burning of slash piles (or any non-ecological restoration-based burning)."
