Comments: Dear Objection Reviewing Officer Davis:

The Center for Biological Diversity, together with the Chiricahua Regional Council, Natural Allies, Wild Arizona, and Conservation CATalyst, hereby submits the attached Objections to the Forest Service's Decision Notice of the Chiricahua Public Access Project and its associated Environmental Assessment. The deadline to submit objections is Monday, July 17, 2023. These objections are timely filed and have been uploaded here as an attachment in .pdf format.
