First name: Hadden

Last name: Carlberg

Organization: U.S. Army Corps of Engineers

Title: Student Intern

Comments: Dear Ms. Schwartz,

Our office has reviewed the information you provided regarding the proposed 2023 Pasture 15 GGG Range Improvement projects and determined that a U.S. Army Corps of Engineers Section 404 permit may be required for your projects. Please see attached letter, blank application form, and Nationwide Permit 58 fact sheet. Thank you,

V/R,

Hadden J. Carlberg

Student Intern
