Comments: Hello, as an avid family snowmobile user of kings hill I would hope we can find a solution that will keep the mountain user friendly for everyone. I can identify the importance of logging the mountain as well. If an alternate road to moose creek could be utilized instead of the divide road, family riders of all ages could still utilize and enjoy the mountain. One of the best parts about kings hill is that my daughter is comfortable on the amazing trails the west side provide and convenience of the large parking lot on top. Thank you for your time.
