Comments: Dear U.S. Forest Service,

I am six years old. In 2020, I went to live with my grandparents in Wonlancet, NH, during the pandemic. I liked hiking on the trails there, including Big Rock Cave trail. I go back there sometimes. I don't want you to cut down the trees. Hiking on a trail with just ten trees in half a mile is not fun. Sincerely,

Raphael Thompson-Lastad

P.S. My dad is attaching a photo of him, me, and my brother at Big Rock Cave in 2020.
