Title:

Comments: August 9, 2023 Chad W. Benson, John Carlson, Kristin Whisennand Attn: Over-snow Motorized Travel Plan 31374 US HWY 2 Libby, MT 59923 The undersigned protest the restrictive proposal as presented due to the negative impact on local snowmobiling recreation activities inclusive of economic benefits from locals and visitors. Traditional uses and trails, both groomed and ungroomed, have been established and in use by the local communities and visitors for well over 50 years and should not be curtailed. In the event any restrictions are contemplated by the Forest Service, the Forest Service must coordinate and cooperate with the local government in developing said plan. Please see attached document for undersigned individuals
