First name: Amy

Last name: Granat

Organization: California Off-Road Vehicle Association

Title: Managing Director

Comments: Please accept the attached comments on behalf of the California Off-Road Vehicle Association, CORVA. Six forests are included in this proposed Northwest Forest Plan amendment, and CORVA members engage in all kinds of off-road recreation and motorized access. It is critical to our members that this access continue unimpeded, yet the proposed amendment does not address this need, let alone ensure its continued availability. This is a fatal flaw in the proposed amendment.
