First name: Gary

Last name: Nabhan

Organization: Sacred Plant Biocultural Recovery Initiative

Title:

Comments: As a property owner with lands adjacent to South32's construction sites and roads, and as a biologist that has worked on contract with 4 federal agencies, I request that the MPO of South32 not be approved because of significant impacts not addressed in the environmental assessment, that will require a full environmental impact statement. My reasons for requesting the MPO not be approved are detailed in the attached letter, which I present for the record.
