First name: Jennifer

Last name: Ellis

Organization:

Title:

Comments: My daughter is currently a Montlure camper. My brother and I and our late mother Cindy Ellis were also campers. After only one summer she already loves it and the fact that it's a connection to her family, a common experience during different spans of time. We've waited so long to return to Greer and it means so much to so many of some of my lifelong friends and the memories we made there together.
