First name: Carlene

Last name: Oberg

Organization: Boise Regional Office

Title: Administrative Assistant I

Comments: 1.AIR QUALITY

Please review IDAPA 58.01.01 for all rules on Air Quality, especially those regarding fugitive dust (58.01.01.651), trade waste burning (58.01.01.600-617), and odor control plans (58.01.01.776).

*IDAPA 58.01.01.614 sets out the rules for prescribed burning in Idaho. Please ensure all prescribed burning is done in compliance with the rules, and in compliance with the 2010 Operations Guide of the Montana/Idaho Airshed Group.

For questions, contact David Luft, Air Quality Manager, at 373-0550.
