Submitted online at? ?US Forest Service NEPA Project Public Reading Room Subject:

Formal Objection to the Heber Wild Horse Territory Management Plan and Environmental Assessment (EA)

I. Impacts on genetic viability, this plan calls for the introduction of horses from other areas for genetic issues. This proposal directly conflicts with Forest Service Range Management Handbook 2263.11 which clearly forbids using selective removals or introducing animals from other territories as a solution to management driven genetic problems. Pursing this strategy con
