Comments: Re: Waterville Valley Resort DEIS

The New Hampshire Fish and Game Department (NHFG) offers the following recommendations and comments in regards to the proposed Draft Environmental Impact Statement and associated changes to the Special Use Permit and Forest Management Plan for the expansion of the Waterville Valley Resort located within the White Mountain National Forest. Please see the attached document for comments. Please let me know if there are any questions or concerns or if the file did not attach appropriately.

Respectfully,

Jessica Whitmore
