Comments: I sent comments and something went awry. I'm sending them again.

Please accept these comments from me on behalf of the Council on Wildlife and Fish, Alliance for the Wild Rockies, and Native Ecosystems Council relating to Environmental Analysis (EA) and Finding of No Significant Impact (FONSI) for the proposed "Swamped Project," a 7,870-acre "vegetation management project to address desired conditions and hazardous fuels," located roughly 15 miles South of Libby, Montana.
