Comments: Great Burn Wilderness

I am writing this letter to show my support for the Great Burn Wilderness. For 40 years the people of Montana have been trying to include the Great Burn area as a Wilderness area. Do not make that a much harder prospect by deciding on option B of the recreation plan you are considering. Only option A can protect the integrity of the Great Burn as potential wilderness. I have hiked and skied in the Great Burn and recognize what a special place this is. Please protect this beautiful piece of wilderness for other generations to enjoy.

Thank you,
Paul Gazzo
