Comments: Comment Forms for Draft Desired Conditions, Vision Statements, and Evaluation Criteria Definition Matrix Comment Form

Dear Forester,

I am hereby emailing as attachments the following documents re my comments re the Cibola National Forest Revision Planning, Phase 2:

Comment Forms for Draft Desired Conditions (2 pages)

Vision Statements Comments (2 pages)

Evaluation Criteria Definition Matrix Comment Forms (10 areas, all 4 Ranger Districts - 1, Mt. Taylor RD; 1, Mountainair RD; 4 Magdalena RD; and 4 Sandia RD).

If there is any problem with transmission, please let me know they were not received and I can print them and drop them off at your offices. I would rather save trees. Please confirm that all 10 Wilderness Comments arrived in good hands and that the Vision Statement and Desired Conditions Forms arrived safely as well. You can understand my concern with sending so many documents.
