Comments: Hi,

I am a 2 wheel motorized user of these forests. I represent a group of people who volunteer their time and effort to clear trails on the uncomphgre plateau by montrose. Our group wants to be able to share all trails with all users of singletrack, ohv permit or not. This land is big enough for us to share it. We want to promote inclusivity of all user groups who enjoy the colorado backcountry via single track trails. We are open to anything we can do to help all users have access.

Sincerely,

Jamie Nance
