Title:

Comments: Crystal River Caucus scoping comments on Crystal Trail NEPA process

Hi Shelly,

Attached is the Crystal Caucus comment letter for the Crystal Trail NEPA process, along with attachments 1, 2, and 5. Attachments 3 and 4 will be sent by separate emails because of their file size. Also, I will try to drop off a printed copy of the letter with attachments to your office if it is open today.

Thank you,

John Emerick
