Comments: Comments on the Lutsen Mountains Ski Area Expansion Project

Connie Cummins

Forest Supervisor, Superior National Forest

c/o Michael Jimenez, Project Leader

Dear Ms. Cummins.

As a nature and out-door enthusiast, part-time Cook County resident and vacation home rental operator I am in favor of the plan for expansion of the ski area.

I believe this is an excellent use of Cook County's vast natural resources. The expansion increases the accessibility to wilderness in a thoughtful way, and improves the long term outlook for this important regional attraction and the many businesses and individuals that support and benefit from it.

Sincerely,

Brennan
