Comments: As a club groomer for the San Juan Sledders Snowmobile Club familiar with the area, I have some concerns with the proposed new snowmoible trail as shown. Having groomed and snowmobiled this area for many years, I know that this location has been a conflict spot for skiers and snowmobilers for many years. I think much of this could be remedied by completing the snowmobile parking lot that was originally shown in the EIS for the area, but never completed. That being said, I have included several PDF's of the maps with my comments related to the current Ice Creek proposal. Please feel free to reach out to me if you have any additional questions.
