Comments: Thank you for the opportunity to comment during the Draft EIS period for the Stibnite Gold Project.

The Stibnite Gold Project will bring huge economic benefits to Idaho, particularly in Valley County. Midas Gold will directly employ 400-500 employees during construction and operations. Payroll is expected to exceed $34 million. These numbers do not even capture the indirect jobs. Some third-party estimates show one indirect job will be created every time Midas Gold hires an employee. The project has the potential to have a positive, widespread impact on the state.

Thank you for reviewing my comments. Again, I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative 2.
