Comments: To Whom it May Concern,

I am writing to express my views on Midas Gold Idaho's Stibnite Gold Project. The opportunity presented by the Stibnite Gold Project is compelling for many reasons and it is a project I am committed to seeing come to fruition.

Mining provides jobs and opportunities that are important for our local economy. I am grateful to know Midas is committed to hiring locally and purchasing materials locally as much as possible. The Stibnite project will generate hundreds of job opportunities in construction and operations. This type of project will undoubtedly boost our local economy. Mining is an important contributor to a strong economy in Idaho and I know the Midas project will be no different. I support the Alternative 2 proposal because it is the safest way to bring these opportunities to life.

Thank you for reviewing my comments. Again, I urge you to permit Midas Gold's carefully thought out plan as outlined under alternative two.
