Comments: Please see the attached set of references. These are associated with my comments submitted 10/26/20 by email and 10/27/20 through this online portal. They are being submitted separately due to size limits. Please note that these are SRK references that I did not find in the DEIS chapter references, therefore the numbering system is unique to my comments and does not mirror that of the DEIS.

Thank you for the opportunity to comment.
