Comments: RE: Request for extension of comment deadline on the proposed Rangeland Management Directives updates.

The Medora Grazing Association hereby requests an extension of the comment period allowed for the proposed Rangeland Management Directive updates. Currently, the deadline for submitting comments is February 16th, 2021. In order for the Medora Grazing Association to properly and thoroughly review these updates, we are requesting an extension of 30 days.

Your consideration of our request is greatly appreciated.
