Comments: Attached please find a document titled HWHT 2005 Affidavits.pdf that is referenced in my submission yesterday (04/04/2021) - Letter ID #18916-3668-164.

These affidavits from 2005 by local Heber area residents (sworn to under penalty of perjury) dispel the myths "purported" in the 2020/2021 Draft Management Plan and the 2021 Environmental Assessment under the Ethnographic Study and the Territory History. (Referenced on Page 2 of my comments submitted yesterday (Letter ID #18916-3668-164) and the same document noted in footnote #4).
