First name: James

Last name: Marsh

Organization: Fortress NA

Title: Director, Environment and Watershed Scientist

Comments: I am very interested in this work and look forward to supporting your efforts. Being retired with over 40 years experience with the Forest Service and DoD-I have specific capabilities that can support this effort. For the last 8 years- I have been working closely with the Flathead and Kootenai NF with similar projects. see attached information and an example Stewardship Project around my Private Land Inholding.
