Comments: Objections on behalf of Enhancing Montana's Wildlife & Habitat, Kathryn QannaYahu Kern

Submitted November 12, 2023. 4 1914 GLO survey maps are also included with my comment pdf.

In addition to my current objections to the Draft Decision Notice, Finding of No Significant Impact, Environmental Assessment and Supporting Documents for the East Crazy Inspiration Divide Land Exchange published September 27, 2023, I'm linking to my previous Objections submission of December 20, 2022, as the points and documentation is still relevant.
