TO: Forest Service DIV.
Kalispell, MT.

Let it be known that my wife and I, are VERY MUCH OPPOSED TO ANY and ALL Floating restrictions on the Flathead River system.

As life long montanans (55 years) we have been floating this river for 40+ yrs. Crowding is NOT a problem.

The Forest Service, FWP's LACK OF ACCESS and OUT HOUSES IS !!!

Thanks Travis, CRISTINA LEIB
