I Like every thing you guys are doing, like most people I was scared this was a meeting to make every thing a lottery permit system, I Love Rafting and love passing the great experine to my 2 young daughters my key points are

1. Yes sometimes the river is to crowded
2. I cant stand how many commercial trips there are
3. Most trips are not fishing
4. Most trips are taking good care of the river.
5. Going to a permit lottery system would be horrible
