

245 pm **TR** 11/19/19

Regarding the Sunflower Cluster
off of the 5870 Road at
the intersection of 5870 and the
5870-300 Road, Close the 300
Road thru and around to the
800 Road with Gates.

You want to close Roads
400, 312, 310, 320, 315, 800
828 and 822.

Instead of Closing 8
Separate spur roads by
closing the 300 to the
800 you will accomplish
8 Roads with 2 gates.

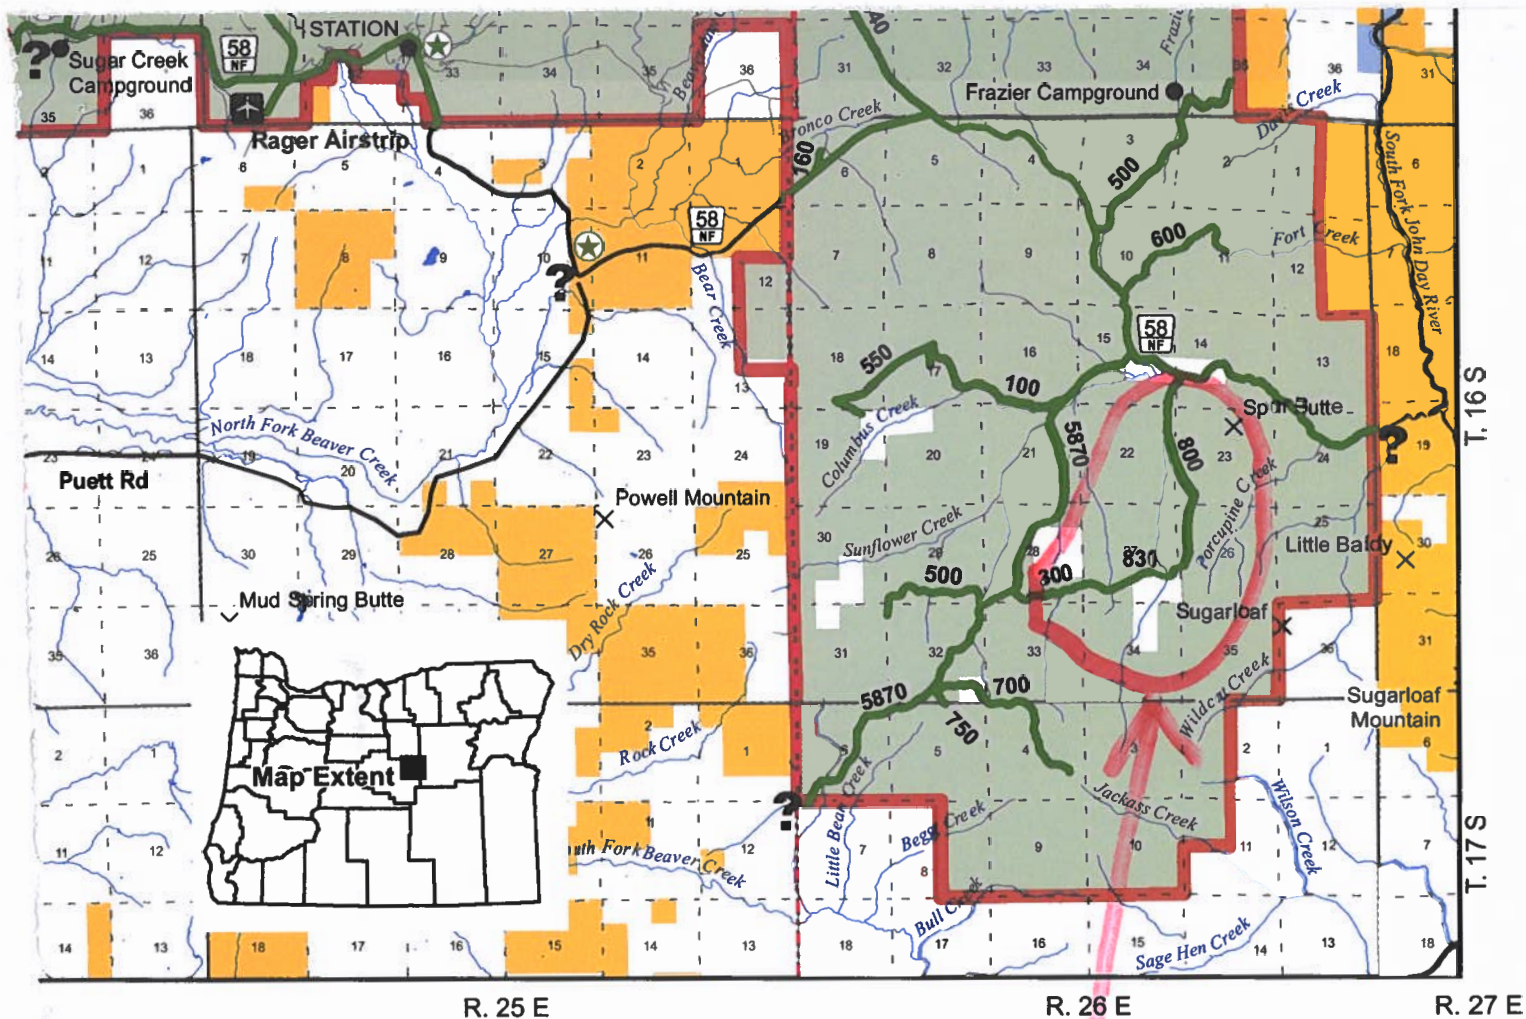

This would allow thru
traffic for the Forest Service
Permittees and land owners.

The 300 spur and
the 800 spur has no
3/4- on them

It would be up to
the permittees & landowners
to maintain such roads
Also there are many
Danger Trees that NEED
to be Addressed because
the public is at risk
of trees Falling at anytime
