

Dear Ms. Linda Jackson,

I am writing to share my thoughts on Midas Gold Idaho's Stibnite Gold project. There are many reasons why I am excited for Midas Gold's project to come to life and I hope through my comments you will understand why.

I am impressed with Midas Gold's current dedication to repairing legacy environmental issues at the site from mining activity that took place on and off for more than 100 years. This is a major investment. Government agencies would not have the budget to perform all the necessarily reclamation work. This private/public partnership is the right approach for Idaho and will solve environmental issues while providing the area with a significant economic boost.

I appreciate your time and thoughtfulness. For the reasons I stated in my letter above, please permit the Stibnite Gold Project using alternative 2 and let Idahoans see the benefits of this important project.

Thanks Again,

Name: Colt Brown
