

Attention Ms. Jackson,

If Midas Gold Idaho is allowed to move forward with the Stibnite Gold Project, they will reclaim an area impacted by historical mining, create hundreds of well-paying jobs and provide a huge boost to our economy in the process. It is a win-win for Valley County. We need to permit the project.

If the Stibnite Gold Project goes into production, Idaho would see a huge economic benefit. Midas Gold plans to invest \$1 billion in the state, contribute \$86 million in state and local taxes and make improvements to roads and power grid near the site. The company has also made a pledge to hire locally whenever possible and plans to provide around 1,000 jobs for Idahoans throughout the life of the project. Midas Gold salaries will be approximately two times higher than the local salary. It is impossible to ignore the positive trickledown effect an investment of this size would have on our community and economy.

Reviewing Midas Gold's plans it is clear to me the company really believes in taking care of the environment and keeping the community safe. I urge you to permit the Stibnite Gold Project as outlined under Alternative 2 and keep this project moving forward.

Sincerely,

Name: Gay Richardson
