

Dear Ms. Jackson,

I am writing to express my full support of Midas Gold Idaho and the Stibnite Gold Project. Midas Gold has shown they are committed to Idaho and want to take care of the environment. I hope you move forward and permit this project as quickly as possible.

Alternative 2 is the result of many years of study by Midas Gold. The company developed this alternative after submitting their original plans and working with stakeholders, community members and environmental groups to try to determine how it could be improved. The result was a smaller project footprint, reconnecting salmon to their native spawning grounds before mining ever begins and improved water quality. Two of the alternatives, 3 and 4, would delay the project by several years and withhold its benefits from Idahoans unnecessarily. Those same alternatives could also become so expensive it could make the project cost prohibitive. With everything happening in the world, I feel strongly that we need to Stibnite Gold Project to move forward now. It would bring 500 well-paying jobs to rural Idaho, invest a billion in Idaho and help improve community infrastructure.

Thank you for considering my thoughts on the project. I am grateful for the virtual meeting room you created. It made learning about the project easy and gave me the tools I needed to submit meaningful comments within the 60-day timeframe. If I can do it, anyone can. I urge you to move forward with alternative two.

Yours,

Wendy Allison
