RE: Pike and San Isabel National Forests Motorized Travel Management (MVUM) Analysis

In accordance with the Travel Management Rule; the Responsible Official, PSI Forest Supervisor Diana Trujillo, has selected Alternate C in the draft decision. Which designates roads and trails open and closed to public motor vehicle use and includes a forest plan amendment to adjust the boundaries of Management Area 3 A. Of which Park County is incorporated in the said mentioned Area.

We currently support the Forests Supervisors, Decision and Rationale to implement Alternative C. To maintain our status, we are to be considered as an objector to the draft MVUM for the purposes to continue to be informed of any and all discussions and decisions related to this Draft record of Decision.

Sincerely,

A handwritten signature in black ink that reads "Thomas Eisenman".
