Re: "Slash" Removal

No electronics here at the cabin so
will have to communicate the old fashioned
way.

Your card asked for long range
solutions to the fire caused issues but what
we need is help with a short term problem.

All the slash left along Summer
Home Road with the tree cutting before, during
and after the fire has created another
"fire looking for a place to happen" situation.
This needs to be addressed now - not later!

Would so appreciate any assistance
or information you can provide.

Since I don't have a printer avail-
able, will you please send copies of my
letter to Paulette Kelly and Chris Lois.
Maybe they can help with this if you
can't. My thanks,

Betty Felch (530) 227 5534
