## Dear Mr. Manning

In fact where was any F3 Gold representati e? We were old they actually were present but left shor ly after he meeting started w thout e er being introduced.

We fully experts the work bank for the Norsky project rath sources ga and a ga make as informed options, bank as we expected as work rath y banks by the 1-perpendence of the factor or ex<sup>2</sup>, shows is a most ag place last of adoption scoling and addits of the Norsky project rath sources ga and the source or whethered by le sumber of perpeter bank and adoption. The negre repeduation and the Norsky project rath sources ga and the source or whethered by le sumber of perpeter bank and adoption. The negre repeduation and the Norsky project rath sources ga and the source or whethered by le sumber of perpeter bank and adoption and bank and the Norsky project rath sources ga and the source or whethered by le sumber of perpeter banks. The source project rath sources gas and addition of the Norsky project rath source or whethered by le sumber of perpeter banks. The source project rath source are perpeter as and whethere the perpeter banks and the source or whethered by le sumber of perpeter banks. The source project rath source are perpeter banks and the perpeter banks and the source or whethered by le sumber of perpeter banks. The source perpeter banks and the perpeter banks. The perpeter banks and the perpet

These of the beary of 108 and be forested by the optic optic optic particle control for the forest set or 57 food and how proved company. Big Rock and any other local state or fodend official who should hat been there in he in cest of the pople hey set e. We were fortunate to hat a brinding base been the forest set is a brinding base of the br

Based on the miscenduct of the forest ser ice and lack of transparency and lack of common countesy demonstrated by F3 Gold we a emost def n tely opposed o this project and any other p o ect introduced by ei her party n the fu u e.
