Comments: I wish the land managers would consider opening more areas to snowmobiles. As it is right now snowmobilers must drive hundreds of miles to enjoy the outdoors, when skiers, snowshoers, snowboarders, ice climbers, hikers, etc, can literally walk out their back door to enjoy their outdoors activities. There is plenty of room in the Chugach to open a few areas within easy driving distance of Anchorage for snowmobiles to enjoy, that will not hinder anyone else's outdoor experience. I thank you for your consideration in this matter and hope we can come to a land use program that includes snowmobiles in areas closer to town.
