Comments: hello,

At a young age i can remember passing through turnagain pass and seeing all the snowmachiners riding up to the mountains and how i couldn't wait to buy my first sled and go try out what those guys were doing. Now being 22, i can say I've been riding in the mountains all around the chugach forest for 9 years now and love it. Its great we get to ride and enjoy the mountains in the winter time and really get out and experience Alaska's beauty. I would hate to see any of our land that we get to ride be restricted or taken away from us.

Thankyou
