First name: Zack

Last name: Weisz

Organization:

Title:

Comments: Why take away and/or limit areas of use for snowmobiles? We live in the most beautiful state with many places to ride within the confines of chugach mountains. Many organizations are funded to help keep riders/hikers/skiers safe with daily Avalanche risks and also daily weather updates. Every year more and more riding areas are being purchased as private property and the chugach mountains are one place that will never be purchased.
