Comments: I am a motorized user. I love the CNF. I love to adventure in this area and would hate to see this area be closed to motorized users. Everyone should be aloud to user this area and no group should be excluded from experiencing what our great state has to offer. To limit this area to only certain groups or people is wrong. I want my children to be able to experience this area the same way I currently do, by use of a motorized vehicle. Please leave the CNF open for motorized use.
